

# Install Phone App and Upload Photo

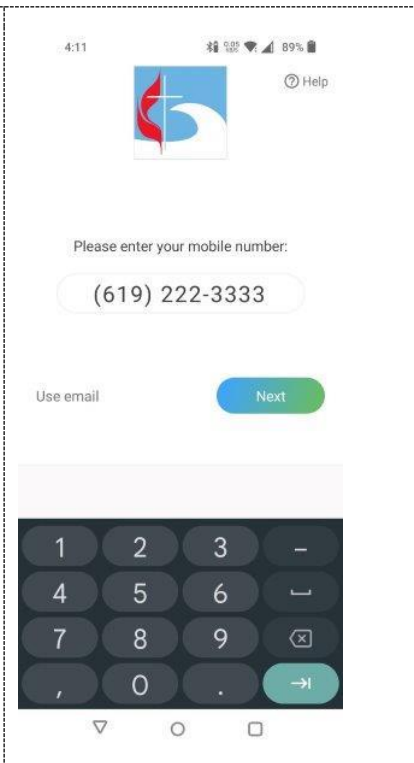

July 19, 2022

Once you have been invited to the directory, follow these steps to set it up on your phone:

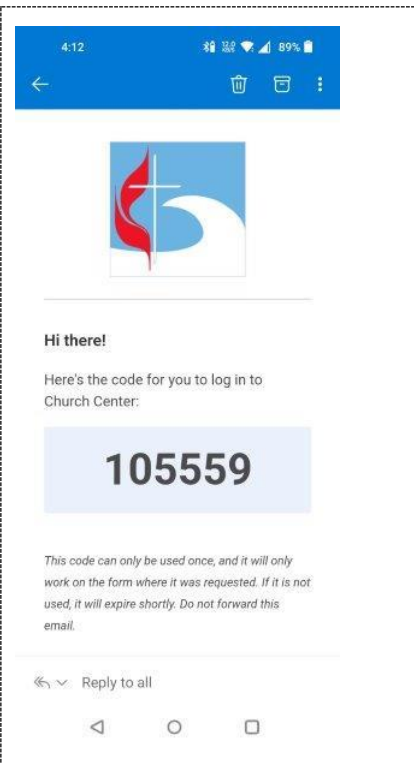

|  |  |   |
|--|--|---|
|  |  |         |
| <p>1. Install the Church Center App from Planning Center on your phone.</p>        | <p>2. Open the app. Click <b>Get started</b>.</p>                                  | <p>3. Search for Zip "92109" and click on <b>Pacific Beach United Methodist Church</b>.</p> |

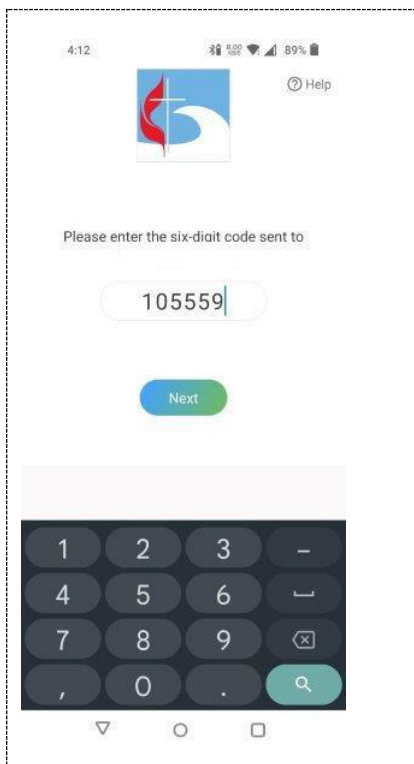

4. Click **This is my church.**

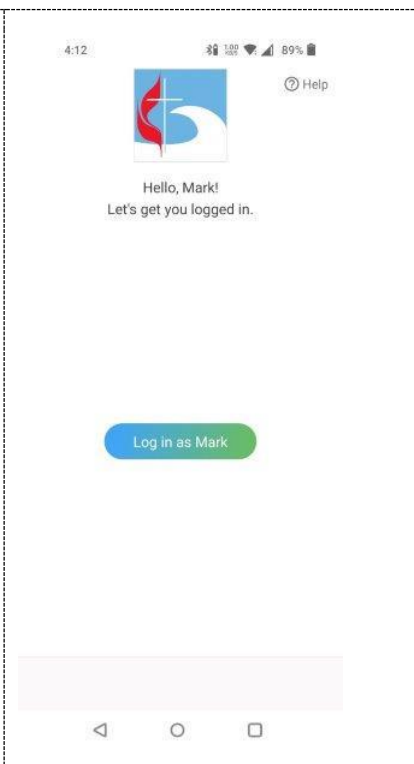

5. Enter your phone number or click **Use email** to enter your email instead.

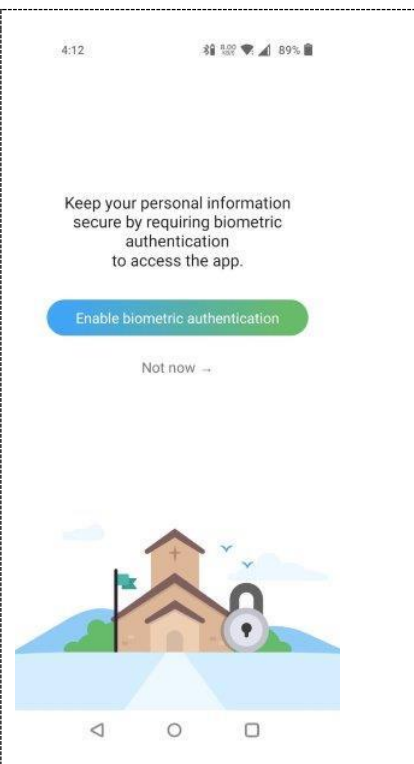

6. Look for a text message/email with a verification code.

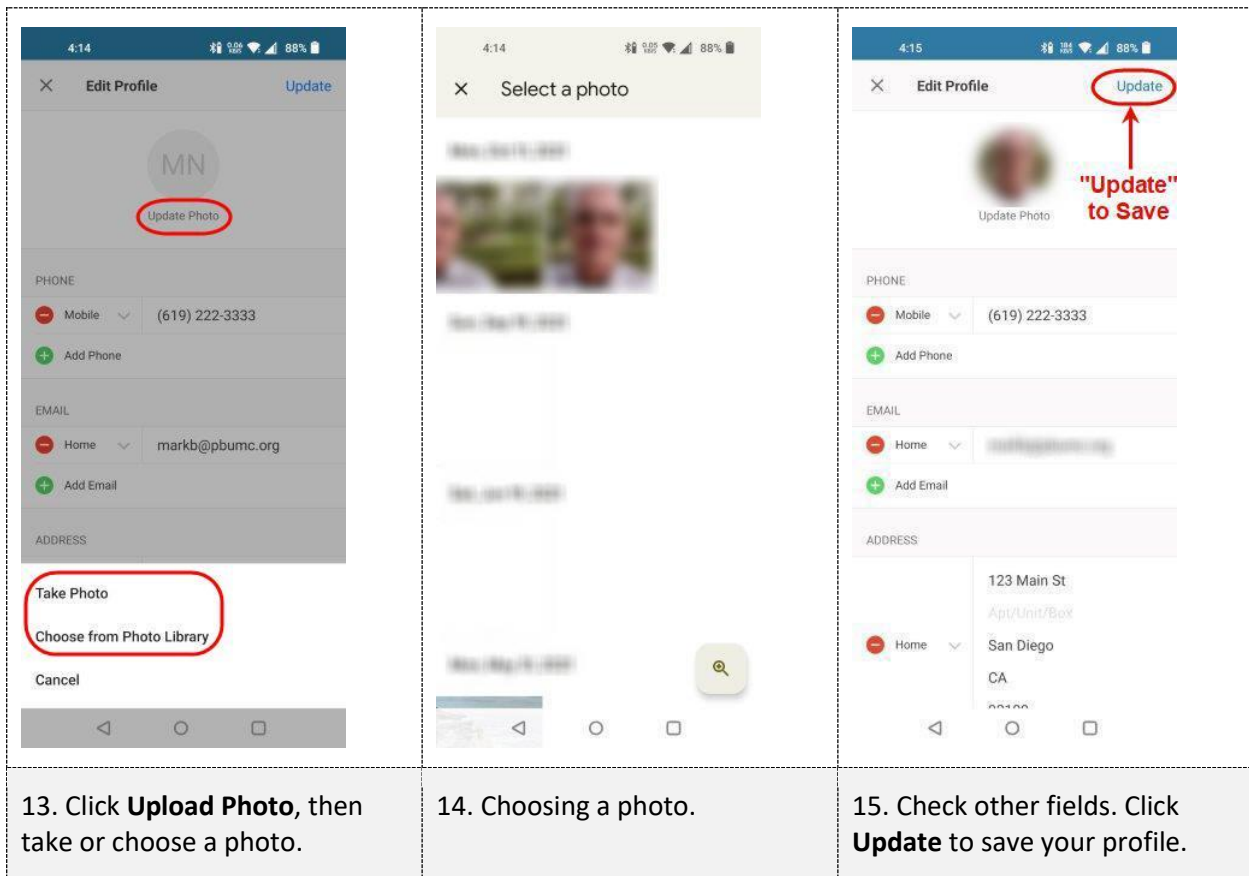

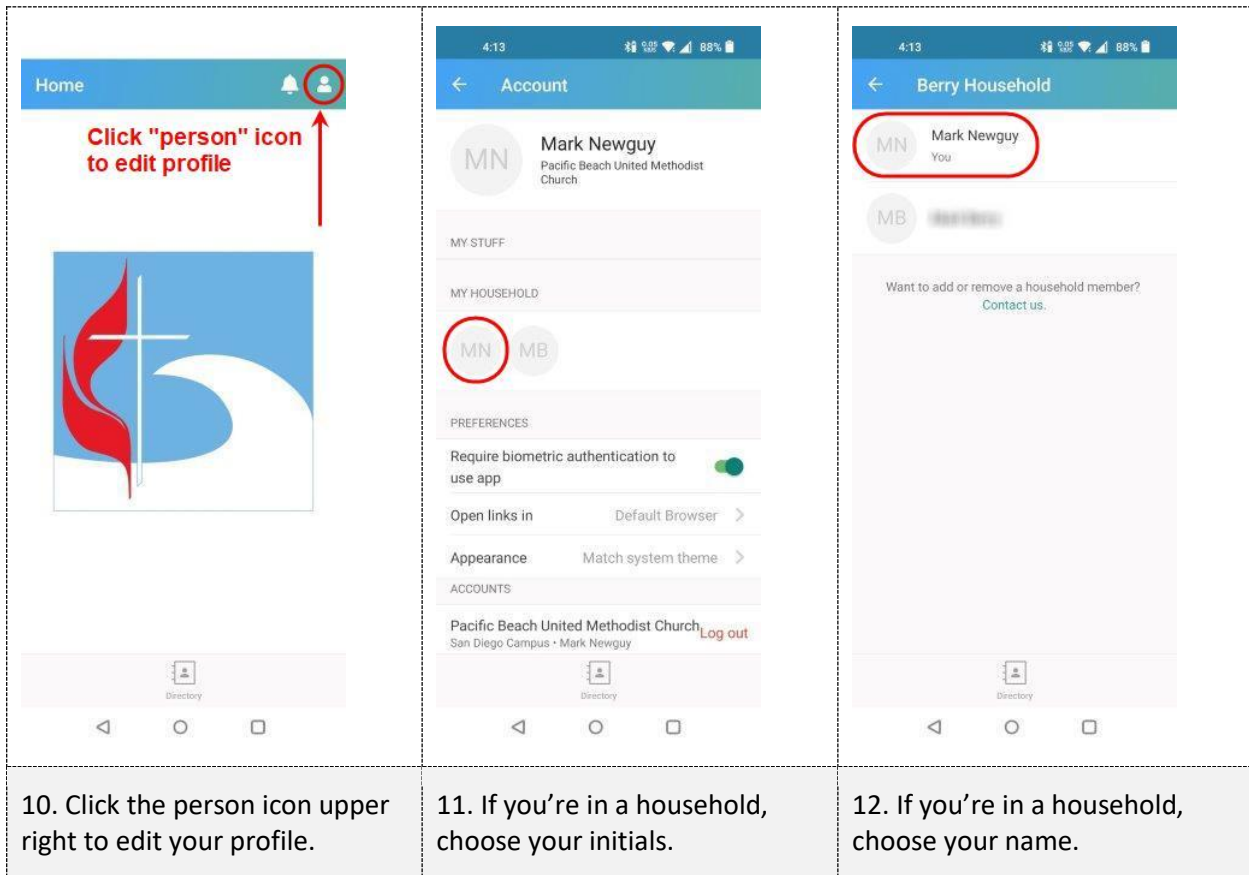

7. Enter the code.

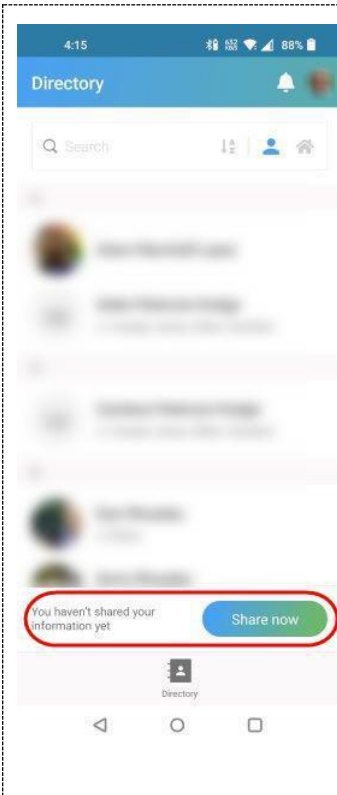

8. Click **Log in as...**

9. **Enable biometric authentication** if prompted.

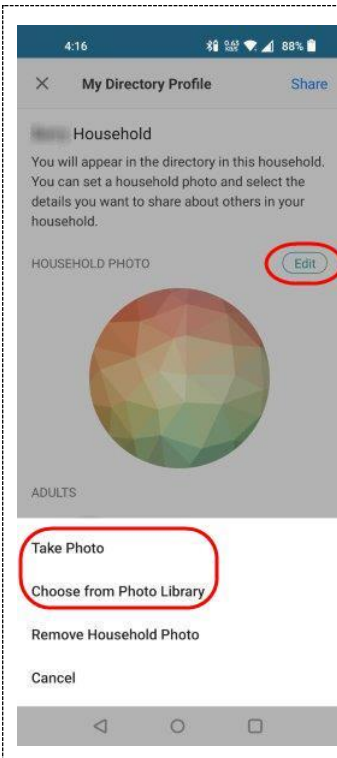

16. Click **Share now** to let others see your directory entry.

17. Click the empty circle next to your name.

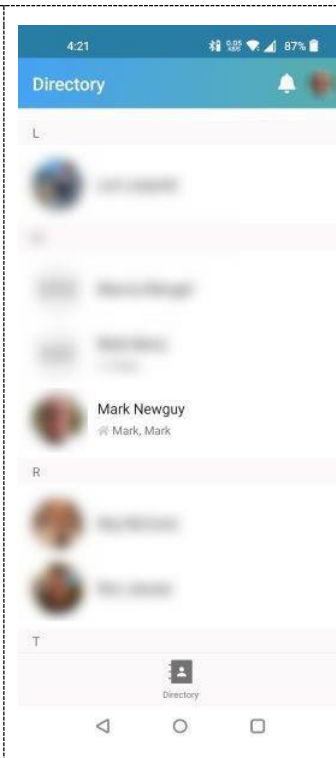

18. Check what to share with others in the directory.

19. If you're in a Household, click **Edit** to upload a photo.

20. Click **Share** to confirm what you're sharing.

21. Now you're in the directory!
